In order for users in your organization to access footage from these cameras, you or another administrator must add the network to your roles:

1. Open **Organization Management**
2. Click on the **Roles** tab
3. Click on the **“triple dots”** next to the role(s) you want to provide access to and select **Edit**
4. Click on the **Networks** drop down and select the network(s) you'd like to add to the role
5. Click **Save** and repeat for other roles as desired
